## What guests tell about ...

*"This experience was the absolute highlight of our trip in Florence. It was the catalyst for us, opening our eyes to the everything the true people of Firenze value. Not only did we actually learn to cook (delicious) food from scratch, but also we were enthralled learning about the history of ancient Tuscany and its inhabitants. I cannot stress enough how wonderful and gracious Gloria and her husband were as hosts, we felt like closed friends. We even got the privilege of meeting her mother, her two adorable dogs, and Olympia the pig! The conversation was genuine, the wine was to die for, and the company was more than we could've dreamt of. Gloria's house will forever hold a very special place in my heart. I would urge you to participate in this experience, it will change you for the better! Don't miss out on watching the sunset over all of Florence from the top of the most beautiful hill in Fiesole. It is truly unforgettable!! Thank you Gloria for such an incredible time. We will cherish your friendship for many years to come!"*

### FAMILY TALE

Hello! Nice to meet you! I'm Gloria. I was born on 16 August 1982 in Fiesole (Florence). I grew up in a family with extravagant culinary influences! My mother's family from Sicily but having spent many years in Africa. My father's family both from north of Italy and from Rome. A grandma pastry, a grandpa inventor in the kitchen. Mom and Dad both excellent at cooking fires ... And then me, passionate about cooking since I remember! I love cooking for my family and for my friends, I love when we are all together around the table with dishes full of goodies, glasses overflowing with wine, and lips full of smiles! So, some years ago, we decided to share our knowledge and family traditions with people from all over the world. In our home you can also meet our mascot Olimpia, the Vietnamese pig, and feed her with some apples ... she loves them! I love animals and I cook even for them an home made diet. In addition to Olimpia in our home live even Moliere (a Lagotto Romagnolo Dog, the one perfect for truffle hunting), Gibran (the big and good one Corso Dog) and Jung (out sweet red cat))!

Welcome to our Tuscan family! We look forward to meet you!
