## RESORT

---

 **Unique people, an exclusive location, unrepeatable experiences.**

The Regina Isabella is located in a **peaceful bay**, surrounded by rocky outcrops, private beaches and Mediterranean pine woods. It epitomises **the Italian art of living well**, with an emphasis on style and beauty. **An attentive and personalised service** is combined with Neapolitan colour and warmth. A Life Lived Well, and characterised by **Good Taste, Wellness and Vitality**.

### Charm and magic since 1956

Built by **Angelo Rizzoli** in **1956**, within a few years, the Regina Isabella Hotel became a centre of attraction for the **international jet-set**. Legendary guests such as Richard Burton, Elizabeth Taylor, Maria Callas have contributed to making it one of the most desirable and **glamorous resorts**.

Majestic environments with a Mediterranean taste, pastel colours, floors with typical ceramics of Capodimonte, hand-painted majolica, furniture in the style of Neapolitan patrician villas, murano glass chandeliers, paintings and portraits characterize the **design** of the resort.

### Functionality meets emotion

The Regina Isabella never fails to delight visitors with its **beautiful architecture and evocative atmosphere** and **personalised services**: a spa, four swimming pools and a solarium, two private beaches, two jetties equipped with deckchairs and umbrellas, a gym, two tennis courts, and a boutique as well as four meeting rooms and a conference centre. The direct access to the sea allows to travel aboard our elegant **Magnum 53** or moor on your own yacht.

## Three bodies and a soul

Our 128 rooms (27 Luxury) are divided between the hotel's three sections: **Regina Isabella, Sporting and Royal. Decorated in the Mediterranean style** with hand-painted majolica tiles, each room offers a combination of the original furnishings and modern touches. A dream holiday, enjoying a five-star luxury and the warm hospitality of the Regina Isabella.

## ROYAL SUITES

---

Our **Luxury Accommodations**, located in the Royal wing, are the most luxurious and elegantly appointed rooms at the Hotel.

A real havens of tranquillity, each one enjoying a matchless view of the sea. Some of them are equipped with **private jacuzzi on the terrace or cascade shower with the option to choose between spring or sea water, hot or cold**. Further desirable features of our Luxury Accommodations, include a **big screen television, a cordless telephone and bar area**.

The two Royal Suites feature **picturesque balconies or gorgeous terrace** that face directly on to the bay of Lacco Ameno and are composed by a **bedroom, a large and spacious living room with 50" flat TV and two bathrooms**.

# BEACH FACILITIES

---

The two piers of the Resort can be reached from the Sporting area. They are fitted with deck chairs and umbrellas that allow guests to descend directly to the sea. Two enchanting and exclusive white sandy beaches enrich the offer of the Regina Isabella.

# SWIMMING POOLS

---

The Resort has **four swimming pools**.

Two outdoors, one of which with **heated seawater**, near the beach, and the second ideal for **thalassotherapy**. Two indoors, one with thermal water and the second called “Awakening of the Senses”, with thermal water inside the Spa, for treatments of music therapy, chromo-therapy and **Aromatherapy**.

## BARS

---

The Resort offers its guests **three bars**.

The **Sporting Bar**, near the restaurant of the same name, overlooks the sea and offers a breathtaking view.

The **Bar Regina Isabella**, with gardens dedicated to relaxation, is the place where you can enjoy special emotions, cheered from the piano bar music every night.

The **Life Bar**, inside the SPA, offers our guests a large choice of fresh fruit, natural extracts, tea and infusions prepared with the herbs of the SPA garden.

## RESTAURANTS

---

 For gourmands and refined tastes

The Regina Isabella offers the possibility to choose between **three restaurants**, managed by the **the Executive Chef Pasquale Palamaro**, one Michelin star since 2013.

The hotel guests may be delighted by the picturesque sea view and tasty dishes of traditional Mediterranean and international cuisine.

**DolceVita**, the main restaurant of the Resort, elegant and charming for its location.

**Sporting**, with direct access to the swimming pool and the jetties.

**Indaco**, the starred restaurant of the Regina Isabella Resort.

## INDACO

---

The pride of the Resort is the **gourmet restaurant “en plein air” Indaco**, caressed by the sea, where Pasquale Palamaro, a **Michelin star**, constantly studies unprecedented dishes, strictly inspired by the sea.

# THERMAE & SPA

## Nature's gifts for your wellbeing

From the millenary thermal springs of Ischia, the wellness waters of the prestigious Spa of the Resort gush out at temperatures varying from **56° to 77°**.

The unique features of the water, renamed as “**bioactive**” for the **aesthetic and therapeutic** benefits deriving from the microorganisms contained, are monitored by careful and constant scientific research: **a medical team**, in fact, is ready to welcome each guest, to build a personal path of beauty and well-being.

The main wealth of Regina Isabella Spa consists of **mud**, which mature for more than six months in thermal water, which it absorbs minerals, microorganisms and all therapeutic properties from.

All the treatments offered are able to perfectly combine the **thermal benefits** in **medical terms, aesthetics and pure relaxation**, starting from the Nutrition and Wellness program.

The Regina Isabella Resort offers a small contribution towards the safeguarding of the environment. Fully electric-powered cars have been introduced and a quick-charge column is available for all customers who would like to reach the facility by electric cars.
