A stylized tropical beach scene. In the top left, a large orange sun is visible. The background features a light green sky with a large, pale yellow sun-like shape. The middle ground is dominated by several palm trees with textured, golden-brown fronds and trunks. Below the trees is a green grassy area with small orange plants. In the foreground, there's a blue body of water with a small sailboat having a red sail and a white hull. The bottom of the image has a light blue horizontal band.

SNACK  
MENU
