HOW TO LIVE NATURALIS

Nature, Wellness and Salento Rituals

Le esperienze Naturalis nascono per trasformare ogni soggiorno in un incontro autentico con il Salento.

Dalla navigazione privata lungo la costa alle degustazioni in cantina, dai rituali di benessere nella Wander Spa ai laboratori di cucina con ingredienti freschi, ogni proposta racconta il legame profondo tra natura, gusto e territorio.

Gli ospiti possono scoprire la filiera dell'Aloe Vera, esplorare i dintorni in eco-bike, imparare l'arte della pasta fatta in casa o scegliere pacchetti pensati per vivere più esperienze in un'unica giornata.

Momenti esclusivi, curati nei dettagli, pensati per coppie, piccoli gruppi e viaggiatori che cercano privacy, bellezza e autenticità.

Naturalis experiences are designed to turn every stay into an authentic encounter with Salento.

From private sailing along the coastline to winery tastings, from wellness rituals at the Wander Spa to cooking workshops with fresh ingredients, each experience reflects the deep connection between nature, taste and territory.

Guests can discover the Aloe Vera production process, explore the surroundings by eco-bike, learn the art of homemade pasta, or choose curated packages that combine several experiences in one day.

Exclusive moments, crafted with care, designed for couples, small groups and travellers seeking privacy, beauty and authenticity.
