

Dear Guest,

Welcome to Galleria Vik Milano – Townhouse Galleria! A few things about our lovely hotel.

- **Historical Monument Living:** Galleria Vik Milano is within one of Italy's most iconic landmarks. Galleria Vittorio Emanuele. It was built between 1865 and 1877. The Galleria is owned by the City of Milan and many systems are connected to the monument so please be patient with this old beauty!
- **Renovations:** We are going through some renovations at this moment and while we are working hard to insure this does not bother our guests, we are offering a complimentary Apertivo and glass of wine for you at our restaurant plus a 10% discount on lunch or dinner.
- **Singular Design:** Each room is an architectural surprise! The 2nd floor has double height ceilings and windows and some loft rooms, the 3rd boasts balconies, many with views directly into the Galleria, and several of the 5th floor rooms and suites have terraces with views above the glass and iron structure of the Galleria. No two rooms are the same.
- **Original & Diverse Artwork & Furnishings:** Galleria Vik Milano is home to an extensive collection of art by over 100 artists and design furniture. The architectural is reinforced by hand painted murals and frescos, in addition to contemporary, midcentury, vintage and antique furniture. Furnishings differ from room to room so, for example not all have desks.
- **Unique Views:** Many of our rooms boast spectacular views into Galleria Vittorio Emanuele II, some sweeping all the way to Duomo Square, others into Scala Square or Via Silvio Pellico, as well as the charming courtyards of the Galleria. Our windows are double paned but sometimes the energy of the Galleria and City can be felt.
- **Shopping:** Galleria Vittorio Emanuele II is home to many of the most celebrated fashion brands in the world. Most famously, the historic first Prada store is located just below Galleria Vik Milano. We are also just a 5-minute walk from Via Monte Napoleone and 1- minute walk from Via Manzoni. Milano is a fashion and design capital, and it is all at your fingertips from Galleria Vik Milano.
- **Epicurean:** Vik Pellico Otto, our signature restaurant overlooking the Octagono dome of the Galleria, gives our guests a true birds' eye view of life in the heart of Milano is open for breakfast, lunch, apertivos and dinner.
Il Dodici Gatti, located on the 6th floor above the structure of the Galleria with a terrace and views out over the cityscape of Milan is a favorite Italian pizzeria of the Milanese. Enter next to the Museo Leonardo off the Scala Square and stay tuned for the upcoming evening music experience at Il Dodici Gatti!
- **Personalized Service:** Our team will treat you like our friends, like guests staying in our home. Please get to know us. Let us know what we can do to improve your stay. To make communications with them as seamless as possible inside the hotel or wherever you are in Milan, we communicate via your mobile phone by What's App or text messages. Because we think this is the easiest way to make sure your needs are met, our rooms do not have traditional land-line telephones.
