“ The location is a renovated Tuscan farmhouse surrounded by greenery: gorgeous and well-kept. The view of the mountains and hills is like a postcard. The relaxing and elegant atmosphere make it a corner of paradise (words of my guests). The kitchen offers both typical dishes of the Lunigiana tradition and new proposals from the chef. ”

“ We booked Podere Conti without seeing it until few days before the wedding (we live overseas). The first impression we had of it was incredible, it was even better than expected from the pictures. ”
