

## Palace 120 years “all-inclusive”

A new way to access the three main Revital® programmes, bringing together nutrition, treatments, medical consultation and accommodation in one seamless experience.  
An exclusive, coherent, personalised and complete experience.

On the occasion of its **120th anniversary**, Palace Merano introduces a new formula designed to make access to the Revital® programmes even more seamless: **Palace 120 years “all-inclusive”**.

A structured approach that **simplifies the organisation** of the programme, ensuring coherence, continuity and personalisation, **in full respect** of the **Revital® Method** principles. **Six-day, seven-night** programmes designed to guide each guest through a **progressive process of rebalancing and regeneration, all within an all-inclusive formula**.

### Revital® programmes available

#### REVITAL® SPA

A programme that deeply **reactivates vital functions**, supporting the restoration of a genuine state of wellbeing.

#### DETOX & LONGEVITY

A programme focused on **detoxification**, metabolic rebalancing and supporting longevity-related processes.

#### SPORT & REMISE EN FORME

Beyond simple movement, a programme that **reactivates energy**, strengthens endurance and restores **physical condition**.

### Duration and conditions

6 days of treatments / 7 nights' stay

### Validity period

from 16 April 2026 to 31 December 2026

### The “all-inclusive” formula includes

- personalised **nutritional plan, designed to be followed after the stay**
- **treatments** included in the Revital® Programme
- **medical consultation**
- free access to **saunas, pools, fitness areas** and **e-bikes**
- stay in a single or double comfort room, subject to availability
- complimentary **upgrade** to a higher room category, subject to availability
- welcome kit

**Each programme is tailored to individual needs** through an approach based on medical assessment, nutrition and treatments.
