

120 - Palace Summer Experience

During the **summer season**, when the climate and natural surroundings of Merano express their full harmony, Palace Merano presents a programme designed to approach the **Revital® Method** in a balanced and comprehensive way.

120 – Palace Summer Experience is a complete four-day, five-night programme, created as a dedicated opportunity to discover the **Revital® Method**.

A structured stay combining **medical excellence**, signature SPA **treatments** and a targeted **nutritional consultation**, within a setting where wellbeing also extends to the outdoors, with activities immersed in the greenery of the **gardens** and embraced by the **summer light**. At this time of year, the programme is enhanced by the energy and vitality of Merano's summer, guiding guests through a deep process of rebalancing and regeneration. An opportunity to enjoy a meaningful pause, restore **energy**, rediscover **lightness** and **radiance**, and experience the effectiveness of the **Revital® Method**.

The 120 – Palace Summer Experience formula includes:

Detox® or Biolight® nutritional programme, with a personalised nutritional consultation included.

Specific Revital® treatments structured within the programme, which includes:

- 4 energy massages
- 4 hydrotherapy treatments
- 4 mud therapies
- 4 hydrojets

Medical examination, which is the foundation of the Revital® Method and the basis of the programme

Outdoor activities, perfect for enjoying the summer season:

- **Guided walks** along the picturesque trails of Merano
- **E-bike** use to explore the surrounding area
- Regenerative **fitness** sessions and group **activities** in the Palace Merano **park**
- Access to **indoor and outdoor swimming pools** and the **sauna circuit**
- **Hotel stay**
- Room upgrade to a higher category, subject to availability
- **Late check-out**, upon request
- Welcome kit
