Welcome

The Spa at Lion in the Sun welcomes you to slow down and embrace the natural rhythm of the Kenyan coast.

Set within tropical gardens, it brings together warm seawater therapies, expert massage and restorative treatments in an intimate setting shaped by light, nature and privacy.

Beyond the treatment room, wellbeing continues through private yoga and stretching, personal training, time by the pool and access to tennis, padel and beach volleyball at nearby Billionaire Malindi.

Whether you choose a single treatment, a Signature Experience or a longer wellness programme, our team will help you select the experience best suited to you.

A quieter rhythm.

To breathe, restore and return to yourself.
