MÍMESIS11
BOUTIQUE HOTEL

MÍMESIS 11 - Boutique Hotel offers more than a simple place to rest your head, rather a sensory experience comprised of subtle harmonies and first-class care. Set directly on the lakefront in the historic heart of Como, this intimate luxury boutique hotel brings guests into close contact with one of Italy's most celebrated landscapes, where the shimmer of water, shifting light and timeless architecture create an ever-changing backdrop for each stay. With just 11 individually designed rooms and suites, the hotel delivers an experience that feels exclusive and incredibly personal, where each space carries its own identity through a blend of contemporary design with subtle references to the surrounding environment.

The judges were particularly impressed by the escape from the daily grind provided at MÍMESIS 11 - Boutique Hotel, where life drops several gears into a well-deserved serene and tranquil experience. Mornings unfold with soft reflections of light across the water, while evenings bring a calm elegance as the atmosphere shifts with the changing sky. The location places travellers within steps of Como's famous streets, inviting exploration of lakeside promenades, artisan boutiques and hidden corners rich with character and historic traditions. Throughout the stay, the surrounding landscape becomes part of the experience, shaping memories that linger long after departure.

MÍMESIS 11 - Boutique Hotel is an intimate Como lakefront boutique hotel offering 11 uniquely designed rooms that blend contemporary luxury with tranquil, sensory experiences.
