

## GASOMETER URBAN SUITES

---

“We guarantee you extreme care and attention to safety, maintaining our beauty!”

---

- The GUS follows strict **sanitization** and daily **disinfection** provisions.
- The **daily room cleaning service** can be suspended at the discretion of the customer. In this case, towels and courtesy sets will be replaced and food & beverage kits will be supplied.
- Each departing room is kept **free** for **24 hours** before being reused.
- All staff are equipped with **individual prevention devices** and in the common areas disinfectant **gel dispensers** and **masks** are available for those without it.
- To maintain **social distancing**, we invite you to check-in online by sending us a copy of the documents before arrival.
- All our **Suites** and **Executive Suites** have a kitchenette thanks to which you can comfortably eat your takeaway meals.
- In each room you will find a free kettle with a selection of tea and herbal teas and a coffee machine.
