*“Hands in pasta” cooking class*

Enjoy learning to cook local Italian food with our Executive Chef Maurizio Morini, who is expert in Parmesan gastronomic traditions. He will present to you various dishes and teach you how to prepare traditional homemade pasta such as - tortelli, maltagliati and spaghetti alla chitarra.

You will then have the opportunity to taste the fresh pasta prepared together, accompanied by water and coffee.

The cooking experience lasts for about 2 hours, plus the meal served at the table with your own made food. A nice apron will be provided to you.

The location is our Restaurant “il Caseificio” or our bakery, just nearby.  
The cost is € 80.00 per person.
