

La Collina dei Ciliegi promoted the foundation
of Rete Valpantena

*Plunge into Valpantena
through Ca' del Moro dishes and wines.
A journey to re-discover oneself and feel like at home*

BISTROT

Ca' del Moro supports and collaborates with local farms and producers in the Valpantena.

Their raw materials are used in the preparation of the dishes of our menu,
which follows the seasonality and availability of fresh produce.

These practices support local communities and reduce our ecological impact.
