Once the residence of the noble family Cortese, Hotel Villa Fraulo retains the historic atmosphere of aristocratic “*buen retire*”, renewing the tradition and irresistible charm of the house.

The medieval Villa has been refurbished several times during the centuries but its original splendor and charm have been preserved. Today you may admire a perfect symbiosis of the ancient vaults and the extraordinary marbles that meet today’s modern conveniences and luxury.

Fraulo Villa is a short walk from the heart of Ravello, from the Cathedral and is opposite the Town Hall. This Villa is the perfect place to seal the dream of an endless love.

The **restaurant is illuminated by warm and soft lights, decorated with recognized taste**, where elegance and sophistication come together in a perfect idyll, and just sit is in itself an emotion.

Emotion that is amplified when you taste **the dishes, lovingly prepared by chef Gino, for which the kitchen and the food are food and emotion at the same time, sociability and communication.**

Guests appreciate the exciting view from the terrace above the sea and the tranquility that reigns sit in the shade of the umbrellas and the staff always helpful and professional.
