Val D'Orcia Tour (Full Day)

Colle Val D'Elsa

Montalcino

Abbazia di Sant'Antimo

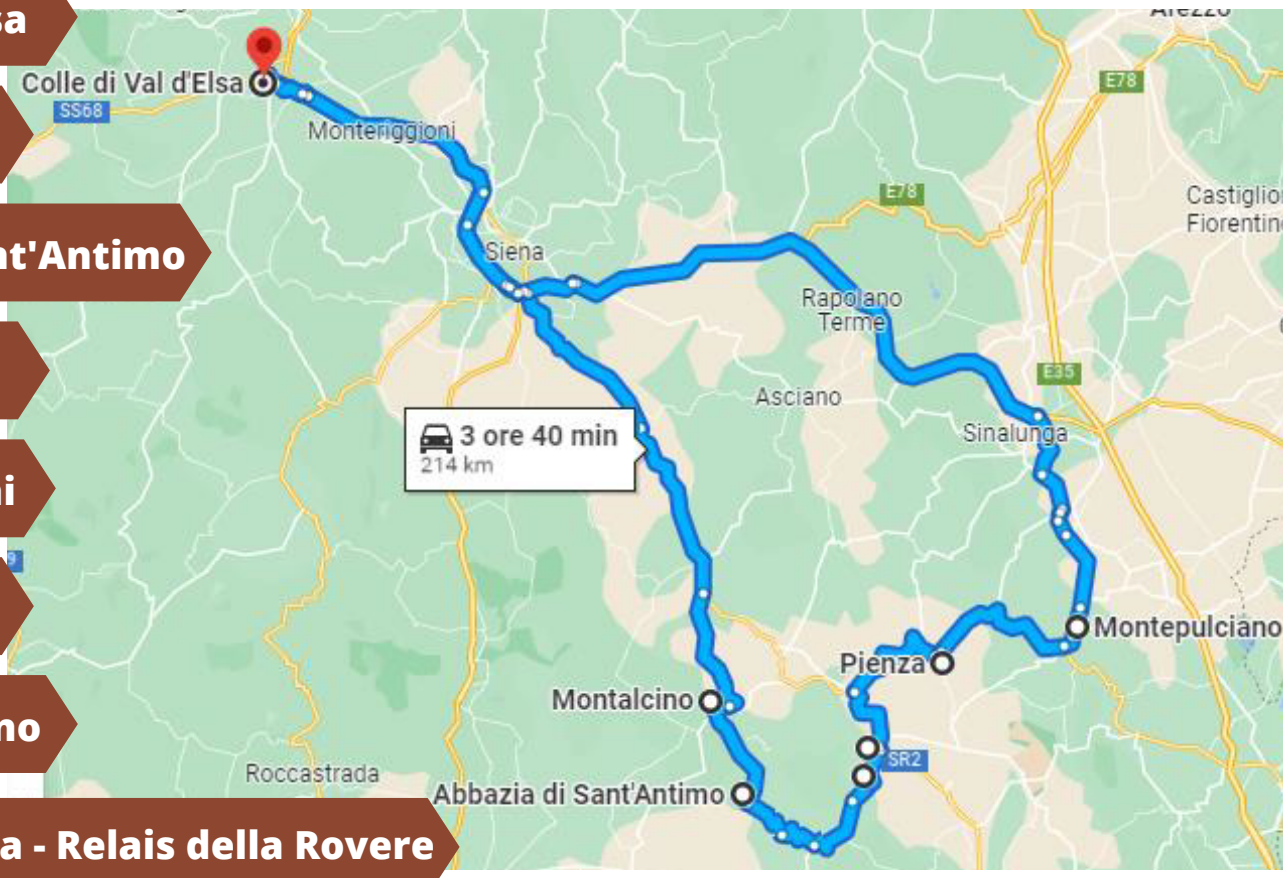
Rocca D'Orcia

Bagno Vignoni

Pienza

Montepulciano

Colle Val D'Elsa - Relais della Rovere



Val D'Orcia is a charming area and it is possible to visit it in one day. Our suggestion is to enjoy a rich breakfast at our Relais and the sooner the better head to **Montalcino**. After a couple of hours visiting, we think you will be ready to reach the **Abbazia di Sant'Antimo**, a place full of history, ideal for pictures. Nothing less will be **Rocca D'Orcia**, with its landscape. **Bagno Vignoni** is famous for Roman thermal spring, if you will decide to stop there, we would understand. But, there is a town rich of flavors ahead: **Pienza**. This town is famous for one of the best italian cheese (Pecorino) and, of course, wine. Have lunch here sounds really a good idea. Then you can explore it. If you still have energy the last place to visit would be **Montepulciano**. You can enjoy the sunset there or on the way and maybe have aperitivo or dinner there.

Wishing that you enjoyed the tour, we will wait you at

Siena Classic Tour (Half Day)

Colle Val D'Elsa

San Gimignano

Monteriggioni

Siena

Colle Val D'Elsa - Relais della Rovere

If it's your first time in the Siena area, this is a classic "must to visit" tour. Also if you want to fill up half day of your holiday it is a pleasant tour. We start from **San Gimignano**, medieval town famous for his towers. We invite you to search information about his history. Here you can try the famous Vernaccia white wine and there is also one of the best ice cream in Europe (with an awarded ice cream shop). Next stop will be **Monteriggioni**, a little town that look like a castle. The visit may be quite short but you can surely find great food. Then, of course, **Siena**. You can find many information about it, we surely suggest you to don't miss the Dome and an aperitivo in Piazza del Campo like a local. Coming back, if you still want to wander a bit more, there is the old part of **Colle Val D'Elsa** called Colle Alta. Wishing that you enjoyed the tour, we will wait you at

Chianti Senese Tour (Full Day)

Colle Val D'Elsa

Castelnuovo Berardenga

Castello di Brolio

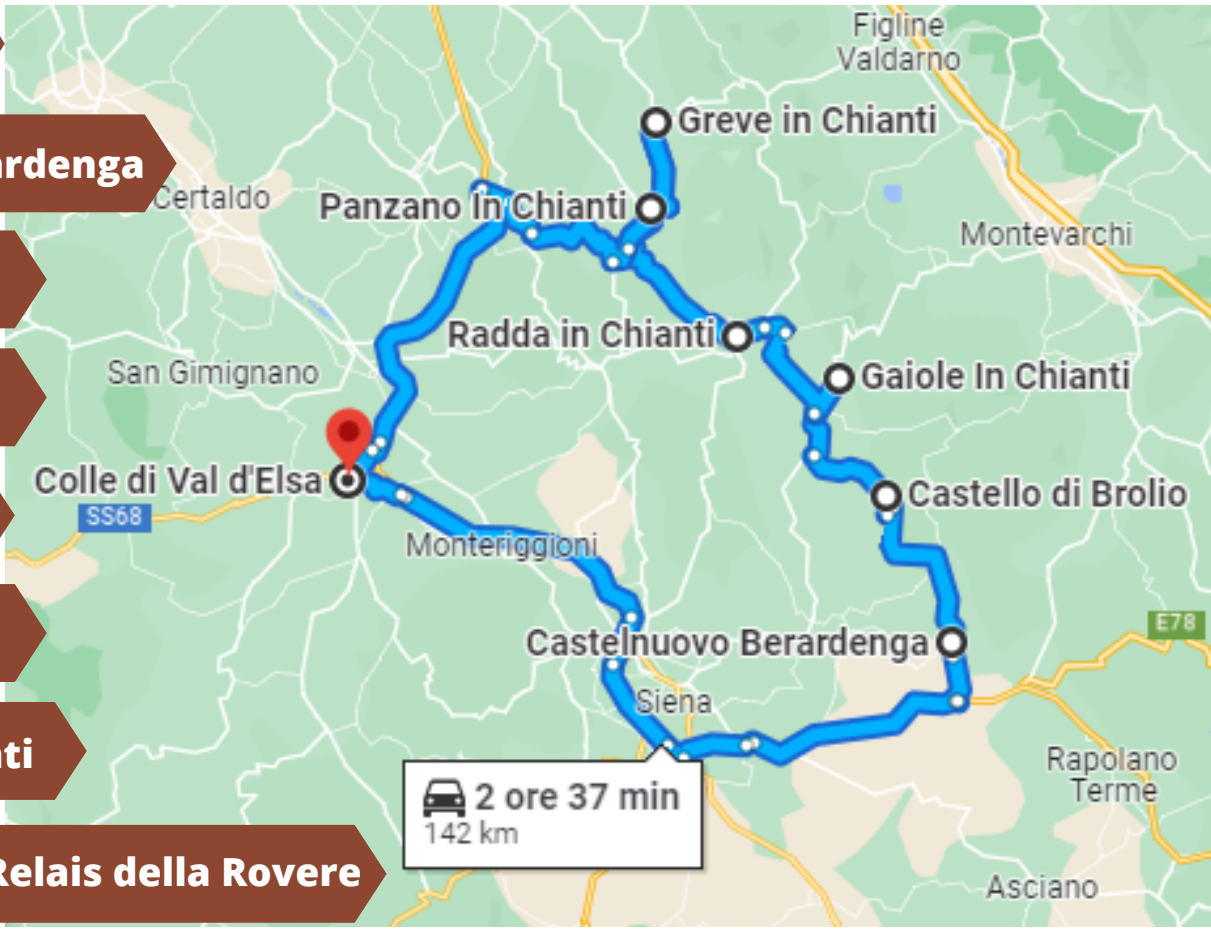
Gaiole in Chianti

Radda in Chianti

Greve in Chianti

Panzano in Chianti

Colle Val D'Elsa - Relais della Rovere



In this tour the protagonist is the famous Chianti Area. After pass by **Castelnuovo Berardenga,** we hope you already booked a wine tasting & tour at **Castello di Brolio.** Simply enjoy it**.** If you are passionate about castles, going to **Gaiole in Chianti** you can stop at **Castello di Meleto**. **Radda in Chianti** is a location full of history, you may wanna visit and discover part of it. In **Greve in Chianti** you have the occasion to really feel like a local if you pass from there on saturday, for its weekly open-air market. The last stop we suggest is **Panzano in Chianti**. There don't miss the beautiful church in stone and enjoy a gorgeous view on the Chianti hills. In this tour no matter where you will stop to eat, you can find many places with delicious tipical food as Prosciutto, Finocchiona, Salame..and of course Chianti wine!

Crete Senesi Tour (Half Day)

Colle Val D'Elsa

Abbazia di San Galgano

Buonconvento

Abbazia di Monte Oliveto Maggiore

Asciano

Crete Senesi

Colle Val D'Elsa - Relais della Rovere

This tour pass through some historical places and beautiful landscapes of the **Crete Senesi** area. The first stop, **Abbazia di San Galgano** is quite impressive. A huge abbey with as roof only the sky, a great place for pictures. There you can also visit the **Eremo di San Galgano** with his legend of the Sword in the stone. Continuing the tour you will pass by **Buonconvento** going to **Abbazia di Monte Oliveto Maggiore**, a very beautiful abbey with astonishing internal decoration. Then you can reach **Asciano**, surely a nice place where have lunch or Aperitivo. For the rest of the tour simply the road with its tipical Tuscanian hills and landscape will be the protagonist. Don't miss the **Crete Senesi Panoramic Point** !

Seaside Tour (Full Day)

Colle Val D'Elsa

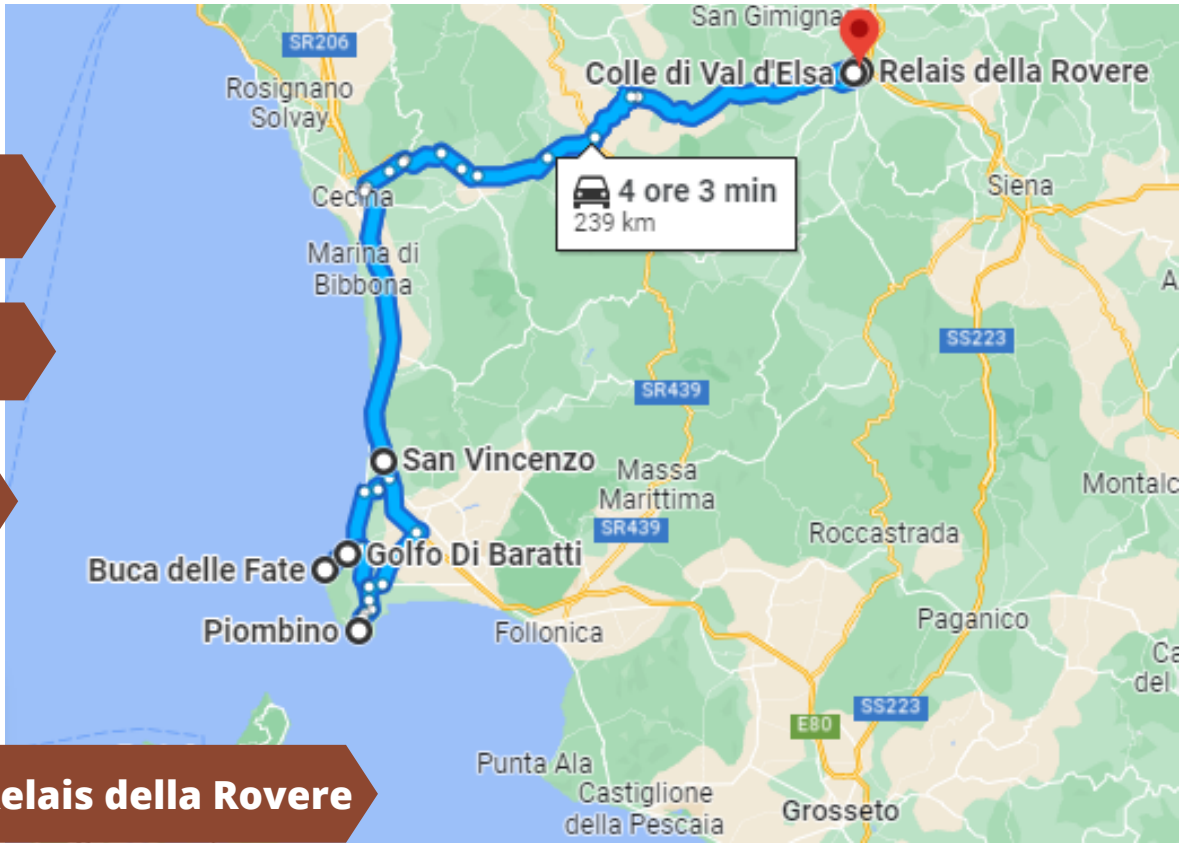
San Vincenzo

Golfo di Baratti

Buca delle Fate

Piombino

Colle Val D'Elsa - Relais della Rovere



The closest coast is around 1 hour and 1/2 driving, so why not explore the Tuscanian seaside? You will firstly pass from **Cecina**, feel free to stop there if you want, but we really suggest you to reach **San Vincenzo**. It's a little town with tipical old seaside shops, a little and peaceful port and a long and large beach. On the way to **Golfo di Baratti**, a lovely place to enjoy a sun bath and spend time on the beach as a local, you may find a pet beach if you are travelling with a hairy friend. Not far from there, there is Populonia, an harchaeological park. If you feel like taking a walk and explore, you may be able to reach **La Buca delle Fate**. It was considered a magic cave cause with the right inclination of the sun rays it shows incredibly beautiful colors. Least but not last there is **Piombino**. The old center of the town is precious: you can taste a delicious **Caciucco**, enjoy the view from its square surrounded by the sea and feel the sea breeze.

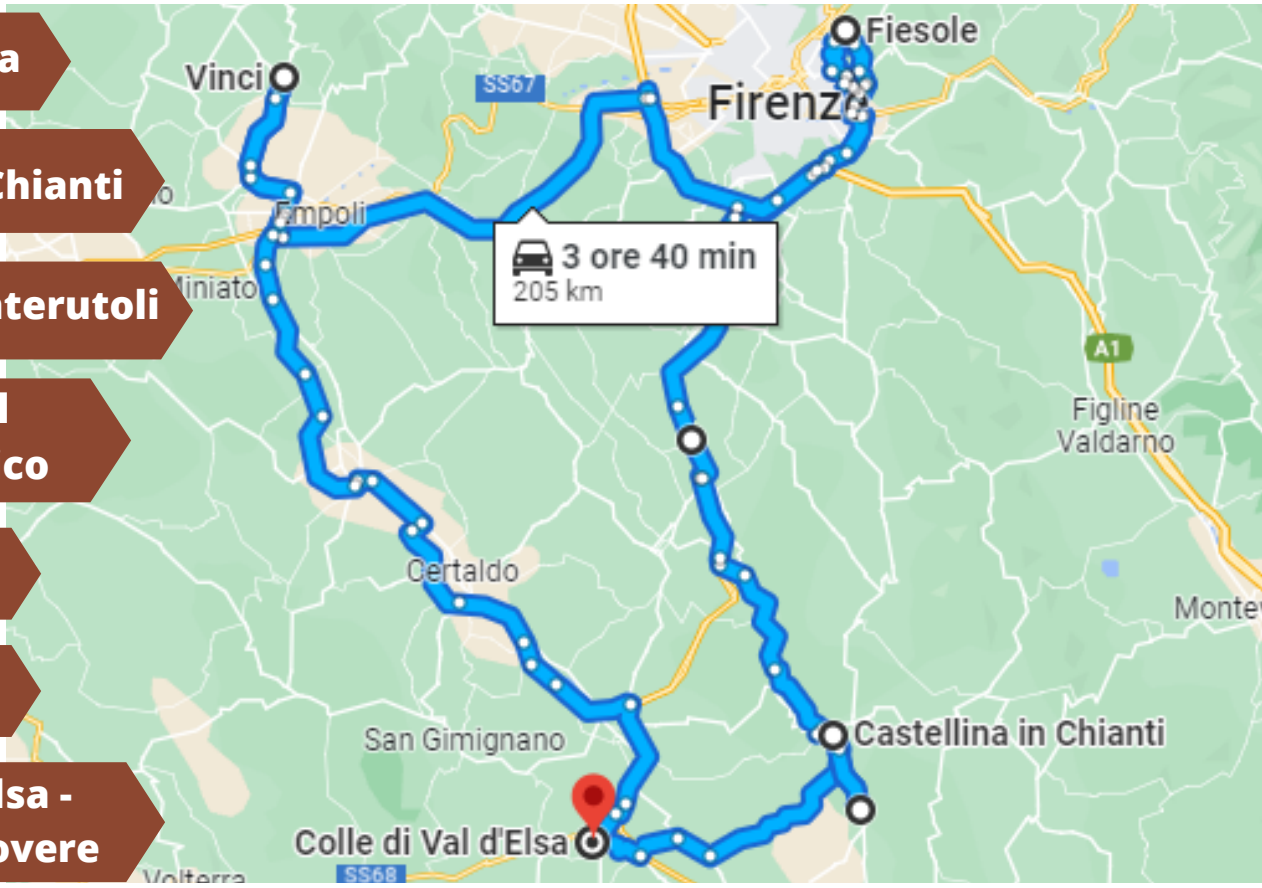
Colli Fiorentini Tour (Full day)

- Colle Val D'Elsa
- Castellina in Chianti
- Castello di Fonterutoli
- Antinori nel Chianti Classico
- Fiesole
- Vinci
- Colle Val D'Elsa - Relais della Rovere



This tour cross the Chianti area between **Siena** and **Firenze**, exploring few areas that should never be missed. We start from **Castellina in Chianti**, a lovely little town with a tipical medieval architecture and little tipical shops. We included both **Castello di Fonterutoli** & **Antinori**, both are amazing places for taste some of the best Chianti wines. The choice is your, try one, the other or both. Just be sure to book in advance! Continuing the tour to **Firenze** you may stop by or also go directly to **Fiesole**. There you can look at Firenze from an high point of view, so there are some really wonderful panoramic spots. Also you should stop by the **Villa Medici** and the **Teatro Romano**. Another town nearby is **Vinci**, the famous town where **Leonardo da Vinci** got the name from. There is a museum dedicated to him so take your time and visit the town or discover more about the most talented and ingenious italian in history.

Chianti Castle Tour (Half Day)

Colle Val D'Elsa

Monteriggioni

Castello di Fonterutoli

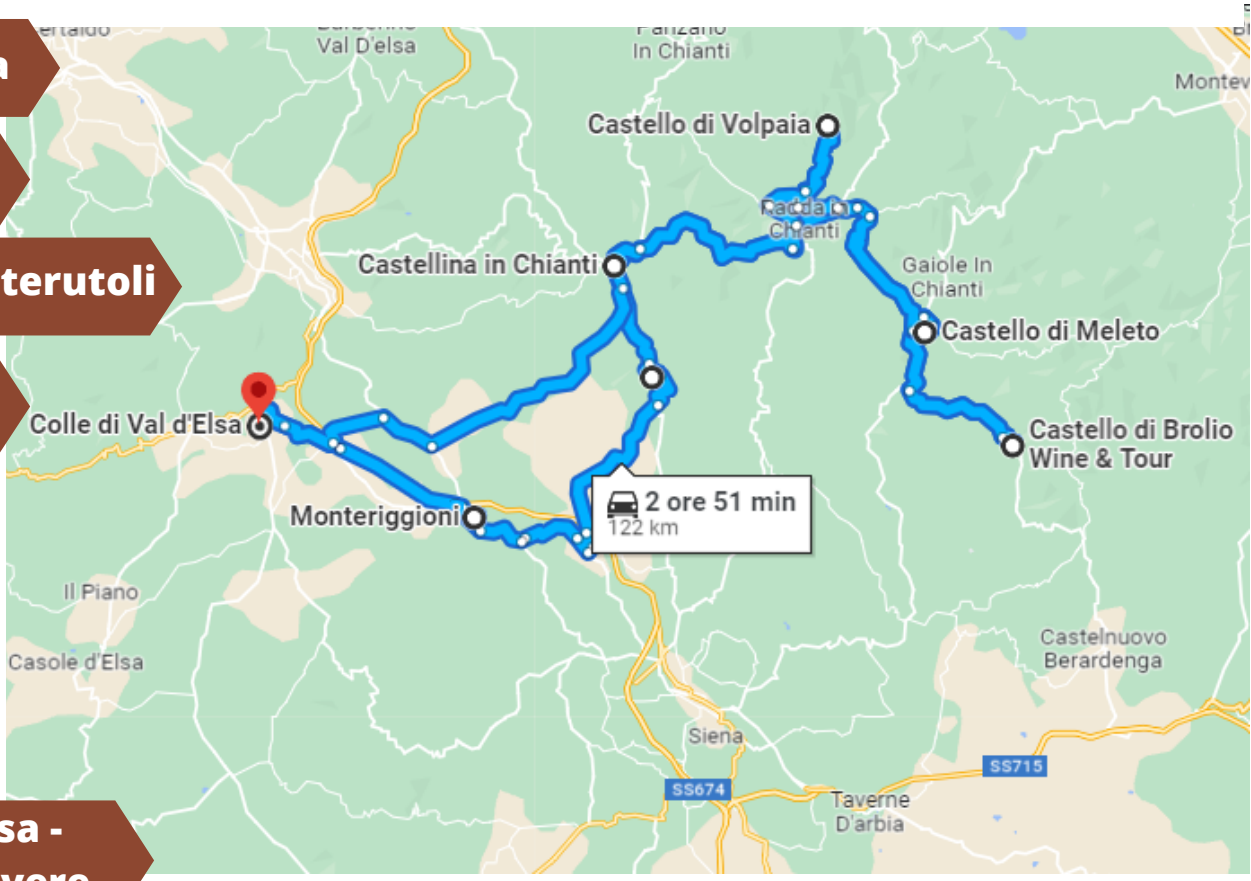
Castellina in Chianti

Castello di Brolio

Castello di Meleto

Castello di Volpaia

Colle Val D'Elsa - Relais della Rovere



This tour will lead you through the Chianti area, passing by some of the most impressive castles of the Area. In the past, every castle was owned by an aristocratic family so in each of them you can find a different kind of Chianti wine, as was the tradition. **Monteriggioni** is a very little town that looks like a castle. You must stop there, but visit it it won't take much time. Next stop is **Castello di Fonterutoli**, its wine is very appreciated and its winery very modern. After you can pass from **Castellina in Chianti**. An old style town with a lot of little shops, take your time passing by and walking through it. Next castle is surely the most elegant, **Castello di Brolio**. Its wine is great and it is simply beautiful. **Castello di Meleto** is also charming and very medieval style. Last but not least there is **Castello di Volpaia**, it also looks like a little village in medieval style, totally enjoyable to walk through. On this tour also the road through the Chianti landscape is very pleasant.
