THE WINE ADVOCATE:
Reviews by Monica Lerner

IGT Ripa delle More 2013 PT. 91
"Elegant and deeply attractive. The bouquet offers territorial typicity with tangy berry and sassy spiciness. The effect is lovely with warmer notes of earth, tobacco and leather on the finish."

Gran Selezione La Prima 2013 PT. 90
"It reveals a dark appearance and savory aromatic characteristics. The bouquet opens to layers of dark cherry, dried blackberry, plum, balsam and medicinal herb. Compared to the warmer 2012 vintage preceding this wine, this expression feels more astringent, tight and sharp. Indeed, this was much cooler growing season."
