

# POGGIO RE

*DOC Maremma*

**Classification:** DOC Maremma

**Production Area:** Maremma

**Grape Varieties:** 100% Cabernet Sauvignon

**Available formats:** 750 ml

**Description:** about 14 months in barriques.

Intense ruby red with purple undertones, dark and deep.

On the nose evident notes of eucalyptus, mixed ripe dark berries and delicate spices. More complex notes develop after a few minutes in the glass with hints of chocolate, vanilla and a marked minerality. Deep and rich, an aftertaste of delicate richness and fresh tannins convey an excellent balance.

Enjoyable when released, will mature nicely for 10-15 years from the harvest.
