Check in and accomodation in the rooms, free time to relax and to have a first approach with the beauty of the nature where Villa Poggiano is immersed.

At the end of the afternoon, welcome aperitivo for all the participants and typical Tuscan dinner at the Villa.

The Ideal City

DAY 2

MORNING

After your breakfast, meeting to the reception of Villa Poggiano in order to start your first amazing day of visits. Pienza will be your starting point! Together with your professional private english speaking guide, you will discover the Ideal City while exploring its secrets and architectures. During the guided visit, you will also have the chance of approaching the most appetizing treasure of the city: the Pecorino di Pienza, the typical cheese that is produced in the city. Lunch in a typical trattoria. At the end, way back to Villa Poggiano and relax.

LUNCH

Lunch in a typical trattoria. At the end, way back to Villa Poggiano and relax.

AFTERNOON

Later in the afternoon, meeting and the reception and departure for another incredible adventure: let's get involved in the magical world of truffle hunting! With a real tartufo and his dogs, you will dive into a wood in order to look for truffles!* At the end of this amazing activity, truffle dinner to a local farm restaurant of the area.

***In case of rain or bad weather conditions, it will be no possible to realize the truffle hunting experience. In this case, the experience will be substituted with an olive oil tasting, together with professionals that will explain you the methods of production and will introduce you to the olive oil tasting.**

Discover Montepulciano

DAY 3

MORNING

After your breakfast, let's start another Tuscan day discovering the town of Montepulciano! Together with your private english speaking guide, you will have the chance of visiting the magnificent church of San Biagio, just outside the main walls of the medieval town of Montepulciano. Then, you will take a walk all along the beautiful historical center of the city, where it will be possible to breath the real sensation of travelling back to the Middle Age! During the visit, stops to local artisans and to a wine cellar.

LUNCH

Lunch in a typical trattoria. At the end, way back to Villa Poggiano and relax.

AFTERNOON

In the late afternoon, cooking class at the Villa, to be involved in a passionate lesson of Italian cuisine.

Siena the Palio City

DAY 4

MORNING

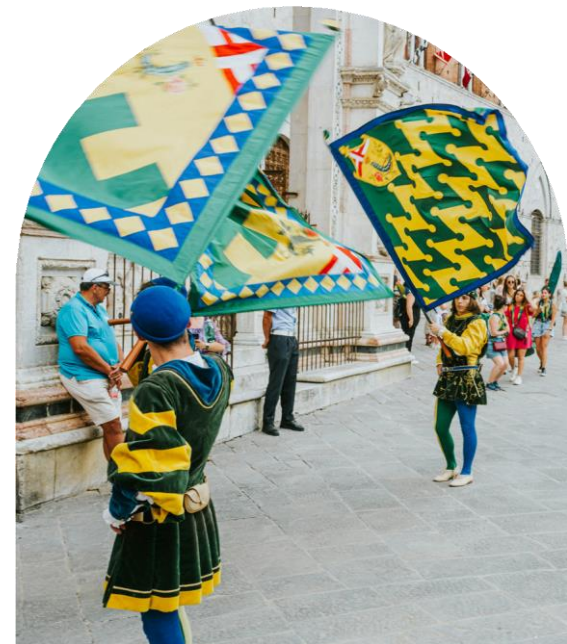

After your breakfast at Villa Poggiano, meeting at the reception and departure to one of the top destinations in Tuscany: Siena! Together with your private english speaking guide, you will get lost in the secrets of the Palio City, Siena, that is such an open air museum! Do not miss the chance of visiting the Palazzo Comunale, the Duomo and the headquarter of one of the 17 contradas, the quarties of the city.

LUNCH

Lunch in a typical restaurant of the city.

AFTERNOON

After some shopping, way back to Villa Poggiano and relax a the villa. Dinner will be in one of the typical restaurant of Montepulciano, one of our favourite in town!

The beauty of Vald'Orcia

DAY 5

MORNING

After your breakfast, meeting at the reception at Villa Poggiano: today the leitmotif is "free your mind and open your heart to the beauty of Vald'orcia!". Together with your private english speaking guide, you will have the chance of approaching to the small hamlets of this beautiful valley, like Bagno Vignoni.

LUNCH

Then, transfer to one winery in Montalcino for visit and wine tasting with light lunch. At the end, way back to Villa Poggiano, with stops during the transfer to Sant'Antimo and Montalcino.

AFTERNOON

Free time in the afternoon to relax. For dinner, transfer to Montepulciano city center for dinner in our of the best restaurant of the city.

Vino Nobile di Montepulciano

DAY 2

MORNING

After your breakfast, meeting at the reception of Villa Poggiano. Your driver will bring you to a local winery for tasting the famous Vino Nobile di Montepulciano. After the wine tasting, transfer to a local farm, where you will have a great new meeting with a local variety of pig, the Cinta Senese.

LUNCH

To the Cinta Senese farm, the owners breed this ancient and local kind of animal that in the past was almost disappeared. They are also famous for meat production, that you will have the chance of tasting during the light lunch at the farm. An experience for real foodies!

AFTERNOON

At the end, way back to Villa Poggiano. Free afternoon for relax: for whom who would like to go back to Montepulciano city center for the last afternoon of shopping.

At 7.00 Pm meeting at the reception of Villa Poggiano and transfer to the local restaurant for your last dinner in town.
