

# GRAND HOTEL MIRAMARE

Santa Margherita Ligure - Italy

There are places you encounter in your life that never leave you, that keep taking you back to that unique, unforgettable first frisson of emotion.

The sea, the gardens, the flowers, the pool: an enchanting backdrop for that longed-for-dream – the «I do!» that deserves only the finest setting, lovingly prepared in every delightful detail.

At the Grand Hotel Miramare, all you need is your love; let us take care of the rest.

A grand Art Nouveau building, gleaming white in the sun between the Tigullio bay and the century-old gardens stretching out below Mount Portofino.

«Here, the dream is revealed» (Qui, si svela il sogno) runs the motto in the Grand Hotel Miramare crest; and it's true: this haven of romance is the ideal location to celebrate the most important promise of all.

At the Miramare, the spirit of the place fills the air along with the fragrance of the sea and the gardens, like oxygen for the soul. The Mediterranean flora offers a verdant backdrop to the superb pool, immersed in a marvellous setting where the rugged vegetation-laced cliffs plunge into the azure of the waves. Behind, the Mediterranean garden, with the oleanders and succulent beds edged by low dry-stone walls. In pride of place, the *Berceau*, an exquisite exquisite shady pergola of intertwined American vines, the ideal spot for cutting the wedding cake or for a richly symbolic ceremony.

There are many delights for the senses, with an array of fragrances and colours, not to mention a wide choice of food and drink. The Miramare Chef offers a cuisine of elegant simplicity that celebrates the finest ingredients through the cycle of the seasons. His flavours take the Ligurian tradition and add an inventive international twist, on an endless quest for the most original, best-quality products, including many “zero miles” options from the local area. The stunning presentation and *mise en place* lend a magic touch to every dish, while the magnificent view only adds to the charm.

The Pool Restaurant and Veranda Marconi blend harmoniously into their natural setting, as the wraparound view embraces the spectacular pool, the sparkling blue sea and the Mediterranean garden in the background.

These are idyllic settings for a buffet, banquet or more intimate event that will surely provide one of your most beautiful memories.
