SAN GIROLAMO CHAPEL

Our private church ideal for blessings and vow renewals was built in 1650; its facade, features a typical Barocco style.

In the frescoes you can notice a relevant influence of the famous Cortonese artistic School.

The Church is still consecrated, and it is possible to organize blessings and vow renewals. Do not miss the possibility to have a country-chic ceremony outside, in the garden, enjoying the breath-taking Tuscan view!

CITY HALL COUNCIL CHAMBER

Cortona is one of the most requested wedding destination in Italy.

The enchanting council chamber was built in the Middle-Age and it is decorated with frescoes. It is full of history and it is facing over the main square.

The location is beautiful and intimate. At Cortona City Hall it is possible to celebrate just one wedding in the morning and one in the alernoon, to avoid confusion between two events. The charming streets, the picturesque alleys and loggias, the small

squares with stunning views on the Tuscan countryside makes Cortona the Perfect wedding scenario for your photo walk.
