Facial treatments

TREATMENTS BY BIOLOGIQUE RECHERCHE PARIS

Biosensible Facial - 60 min
Restructuring and smoothing booster with hyaluronic acid, silk, and royal jelly hydrates, sculpts, and de-stresses the skin, followed by a Biosensible mask to rebuild the skin barrier. Regenerates and repairs sensitive, post-peel, or post-laser skin.
CHF 210

Replumping with MC110 - 60 min
The MC110 lotion, with plumping, renewing, and exfoliating properties, is combined with vibratory techniques to reduce wrinkles, tone, and redefine facial contours.
CHF 210

Ice Facial (Cryo Sticks & Cold Mask) - 90 min
Experience the soothing, smoothing, tightening, and anti-inflammatory effects of this facial for radiant, glowing skin. The VIP O2 mask revitalizes the skin, combined with a cold mask and cryo-stick massage to brighten and purify.
CHF 270

Second Skin - 60 min
A true alternative to fillers, this exceptional anti-aging facial visibly lifts and treats signs of aging. Precise massage techniques are combined with sterile electrospun hyaluronic acid patches (80%), massaged into the skin until fully absorbed.
CHF 330

Personalized Facial - 30 min
A personalized treatment and skin diagnosis tailored to the specific needs of your Skin Instant®, delivering optimal results. Includes massage techniques and a customized skincare routine.
CHF 150
