1.5 The 'Level Criteria' are the requirements set out in section 3 of these General Terms and Conditions that Holders must meet in order to move up or remain at a particular Level. They are based on the accumulation of eligible nights and their registration with the relevant LA FIERMONTINA'S FRIENDS membership account.

1.6 'Level Period' means the period (i) commencing at a particular time in the Calendar Year in which a Holder meets the Level Criteria for a given Level; and (ii) ending on the last day of the following Calendar Year.

The Holder must request the benefit upon arrival at the Participating Hotel. Upgrades will only be granted to one room, which must be that of the Holder. Any additional rooms reserved by the Cardholder at the time of booking or subsequently are excluded from upgrades. Upgrades are not guaranteed for long stays (i.e. more than 6 eligible nights) and will be provided by the Participating Hotel at its absolute discretion.

1.10 'Room Availability Guarantee' means the guarantee of availability of a room at the Participating Hotel if the reservation is made before noon (12.00 noon in the local time of the country where the Participating Hotel is located) at least two (2) days prior to the scheduled arrival date. This guarantee shall apply only to stays with an eligible rate and only to one (1) room (that of the Holder). The reservation must be made and guaranteed with a valid credit card. However, the Room Availability Guarantee does not apply on Dates with extraordinary demand or during Peak Periods. To benefit from the Room Availability Guarantee, the Cardholder must always explicitly request it at the time of booking. The availability of types of room and rates are not guaranteed. If a rate for which the Holder is usually eligible is not available, the reservation will be subject to the relevant prevailing rate of the participating Hotel.

2.3 Only the Holder registered in the booking may receive benefits during a stay, except in the case of the sharing state.

2.4 If a Cardholder is entitled to benefits associated with other loyalty cards, travel agency or credit card bookings, or participates in other rewards programs that entitle him/her to the same benefits offered by the Program, he/she shall choose whether to claim the benefits through this Program or the others.

2.5 LFFC reserves the right to change the General Terms and Conditions of the LA FIERMONTINA'S FRIENDS Program at any time and with prior notice. The requirement of prior notice shall be met by publishing the changes on www.lafiermontinacollection.com and/or through any other of LA FIERMONTINA'S FRIENDS Program's information channels. LFFC's right to amend the General Terms and Conditions includes the right to add, delete or otherwise change any rule, procedure, condition, benefit, award, Level, Level Criterion, Participating Hotel, service or similar aspect of the Program at its absolute discretion, including where such changes affect the value of any prizes or benefits already accrued. Continued participation in the Program shall be deemed acceptance of the new General Terms and Conditions.

2.6 We do not guarantee that the LA FIERMONTINA'S FRIENDS Program, or any of its contents, will always be available or will not be interrupted. We may interrupt, cancel or limit the availability of all or part of the Program at any time for security and/or commercial and management reasons.

Moreover, should the Program be terminated:

2.9 The Holder may, at any time, cancel his membership by written notice sent by e-mail to the LA FIERMONTINA'S FRIENDS Program's Information Channels. In this circumstance, the Holder renounces all unredeemed advantages as well as the Level achieved, which shall be immediately cancelled and cannot be restored or transferred.

2.10 LFFC may commission external partner companies to provide certain services related to the benefits of membership. LFFC accepts no liability for the products and services of such partner companies (including any changes or discontinuance of their products or services).

2.11 LA FIERMONTINA'S FRIENDS benefits and prizes may be subject to income tax or other taxes or levies. The payment of such taxes and all declarations for tax purposes are the absolute responsibility of the Holder.

If the Holder decides to merge his accounts, the highest level achieved by the Holder will be maintained on the chosen account.

If the Holder consents to the account unification procedure, the Holder will automatically no longer be registered to any other program. Once the request has been completed, the Cardholder will receive an email confirming the cancellation of all other programs to which the Cardholder was registered. The Cardholder may continue to enjoy the benefits of the selected program.

3. PROGRAM REGISTRATION

3.1 Membership in the Program is free of charge and available to any natural person who: (a) is of the legal age in which they can accept the General Terms and Conditions and not less than 18 years of age (or the legal age in the holder's place of residence, if higher than 18); (b) resides in a jurisdiction that allows participation in the LA FIERMONTINA'S FRIENDS Program (c) provides valid and accurate personal information at the time of registration with LA FIERMONTINA'S FRIENDS, including the email address; (d) is not already a LA FIERMONTINA'S FRIENDS Program Holder. Once the application has been completed and sent, the applicant will receive a number and a welcome email with credentials and will become a LA FIERMONTINA'S FRIENDS Program Holder. From that moment on, the Holder will be able to take advantage of the benefits offered by the Program.

3.3 Each individual is entitled to only one entry. Should it be found that a person has more than one membership, LFFC may cancel the memberships in question and the person concerned shall immediately forfeit all benefits of the LA FIERMONTINA' FRIENDS Program (including the Level achieved).

3.4 By registering for the Program, the Holder accepts the applicable General Terms and Conditions without reservation.

The Holder is solely responsible for the accuracy of the personal data provided for registration and the subsequent updating in the channels activated for this purpose. For any changes and updates, the Controller may contact and inform LFFC: (i) by writing to the address comunicazione@lafiermontinacollection.com or online via the registered users' area of the website www.lafiermontinacollection.com.

3.5 The Holder endeavours to ensure that no unauthorised person gains access to his membership card, membership number and credentials. The Holder is responsible for all activities carried out on his membership account.

4. ACQUIRING LEVEL STATUS

4.1 The LA FIERMONTINA'S FRIENDS Program offers four (4) Levels for members: White, Ocean, Gold and Diamond.

The initial Level for new Members is Level White.

Holders may advance to subsequent Levels by accumulating the required number of Level nights. These may be changed from time to time by LFFC at its absolute discretion.

At the time of booking or check-in, the Holder must provide his/her LA FIERMONTINA'S FRIENDS membership number (and proof of identity if required).

Upgrading to a higher Level occurs when the Holder fulfils the Level Criteria within the applicable period as set out below. Upgrading will not take place during a stay. Eligible Nights will only count towards meeting the Level Criteria once full payment has been received. The recording of Eligible Nights in the Cardholder's membership account for the purposes of Level Criteria fulfilment and Re-categorisation, if applicable, may take up to 48 hours after check-out. To maintain the Level achieved, Holders must meet the corresponding Level Criteria each calendar year.

Members start on White Level, which is maintained for up to 9 nights at participating hotels.

To earn or retain Ocean Level, a Member must have stayed at least 10 eligible nights at participating hotels.

To earn or retain Gold Level, a Member must have stayed at least 20 eligible nights at participating hotels.

To earn or retain Diamond Level, a Member must have stayed at least 30 eligible nights at participating hotels.

The benefits of membership corresponding to each Level may be enjoyed from the time the Holder meets the Level's criteria in the Calendar Year to the end of that Calendar Year.

4.2 If, at the end of a Tier Period, the Holder no longer meets the Tier Criteria ensuring maintenance of the current Tier, relegation to the immediately preceding Tier shall take place.

4.3 No Show cases will not be taken into account for the purpose of fulfilling the Level Criteria or for other purposes.

4.4 The Cardholder must make the room reservation under his/her own name and must provide his/her LA FIERMONTINA'S FRIENDS membership number when making the reservation, and during check-in or check-out. When a Cardholder books more than one room under the same name, a maximum of two rooms will be taken into account for the purposes of meeting the Level Criteria.

4.5 LA FIERMONTINA'S FRIENDS will not recognise a Level for a Holder based on the latter's performance or status in other loyalty programs.

- Processing registration into the LA FIERMONTINA'S FRIENDS Program. This processing is legitimised by the contractual relationship between the parties. The Holder will be sent commercial communications, by e-mail or equivalent electronic means of communication, regarding offers and services associated with the Program, unless the Controller objects to the processing of your data for this purpose. This processing is justified by the legitimate interest of the Controller, since the communications relating to the Program have been accepted by signing these General Terms and Conditions and the content of the communication is related to the Program itself. As a result, the user will benefit from tailored offers based on preferences and tastes

expressed through activities performed or inferred from profile characteristics.
