

The Temple of Concordia and Juno offer themselves to our Terrace with all the charm that this place of the soul can provide. The Terrace is therefore a tribute to the Gods who wanted to give Villa Athena a show that is renewed every day and where it is possible to sublimate the food and wine flavors of the territory.

"Oltre il bosco, sul lungo ciglione sorgevano i famosi tempii superstiti che parevano collocati apposta, a distanza per accrescere la meravigliosa vista della villa principesca..."

da "I Vecchi e i Giovani" Luigi Pirandello
